**Dear Sir/ Madam,**

**RE: INVITATION TO THE 2026 NATIONAL KISWAHILI TEACHERS' CONFERENCE**

Greetings from Kyambogo University

In collaboration with various Kiswahili professional associations, Kyambogo University is organizing the first National Kiswahili Teachers' conference scheduled to take place on 27<sup>th</sup> - 28<sup>th</sup> March 2026 at CTF conference hall, Kyambogo University.

This landmark event is the first-ever national conference specifically organized for Kiswahili teachers and will henceforth be conducted annually to provide a continuous professional platform for all Kiswahili teachers.

Kyambogo University, as a public institution mandated to spearhead teacher education, professional training, curriculum innovation and research for national development, remains committed to strengthening pedagogical competencies and advancing subject mastery among practicing teachers across Uganda.

This conference aligns with Ministry of Education and Sports Continuous Professional Development (CPD) framework, which requires all practicing teachers to undertake structured professional development activities for career growth, appraisal and professional advancement. The conference will particularly benefit both Lower and Upper Secondary Kiswahili teachers by equipping them with:

- CBC-tailored Kiswahili pedagogical approaches and learner-centered classroom practices
- Effective Kiswahili Continuous Assessment (CA) strategies
- End-of-cycle assessment preparation techniques
- Assessment alignment and moderation practices

Facilitation will be conducted by experts from National Curriculum Development Center (NCDC), Uganda National Examinations Board (UNEB), Kyambogo University and other distinguished Kiswahili education specialists.

Participants will receive certificates at the end of the workshop. Each participant is required to contribute UGX 100,000= (One hundred thousand shillings only) to cater for meals and certification costs. Participants are required to arrange their own accommodation for the two-day workshop.

We kindly request you to grant your Kiswahili teacher(s) permission to attend this important professional development event.

We look forward to your positive response and to welcoming your teachers to this historic national Kiswahili professional gathering.

Yours faithfully;

Dr. Prosperous Nankindu Kavuma  
Head of Department Languages and Communication Studies  
Faculty of Arts and Humanities  
Kyambogo University.
